

## ATTACHING PAPER COLLARS TO WANDERING CATS

- Print this page – bright neon paper if possible to make it more visible
- Cut out the paper collar and fill out your info
- Put the collar around the cat's neck. Make sure there is space for one finger between the collar and the cat's neck.
- Tape the ends together
- Leave the collar on for 7 days. You may need to make a new collar if the first one comes off. If the cat returns without the collar and you haven't received a call, attach a new one.
- If the cat has been wearing the collar for 7 days with no response and you are concerned for the cat's welfare, contact Dakin (413) 781-4000 or your local Animal Control Officer.
- For more information on helping cats outside:
